# SUNSET ELOPEMENT TIMELINE

## Add-On

**Photographer**

~~\$500~~ \$250

2 hours of coverage + online gallery.  
Capture every unforgettable  
moment.

---

All times are relative to the sunset on the day of your elopement to ensure optimal lighting for photos. The total duration is two hours. Below is the schedule:

### **120 minutes before sunset:**

- If you hire our photographer, they will capture exterior and interior photos of the decor, along with moments of you getting dressed and preparing for the ceremony.

### **90 minutes before sunset:**

- First Look and nature photos in the forest.

### **60 minutes before sunset:**

- Ceremony begins. (Sand ceremony)

### **45 minutes before sunset:**

- Group photos with guests.

### **30 minutes before sunset:**

- Sunset photos of the couple.

### **Sunset Time:**

- Elopement concludes.
